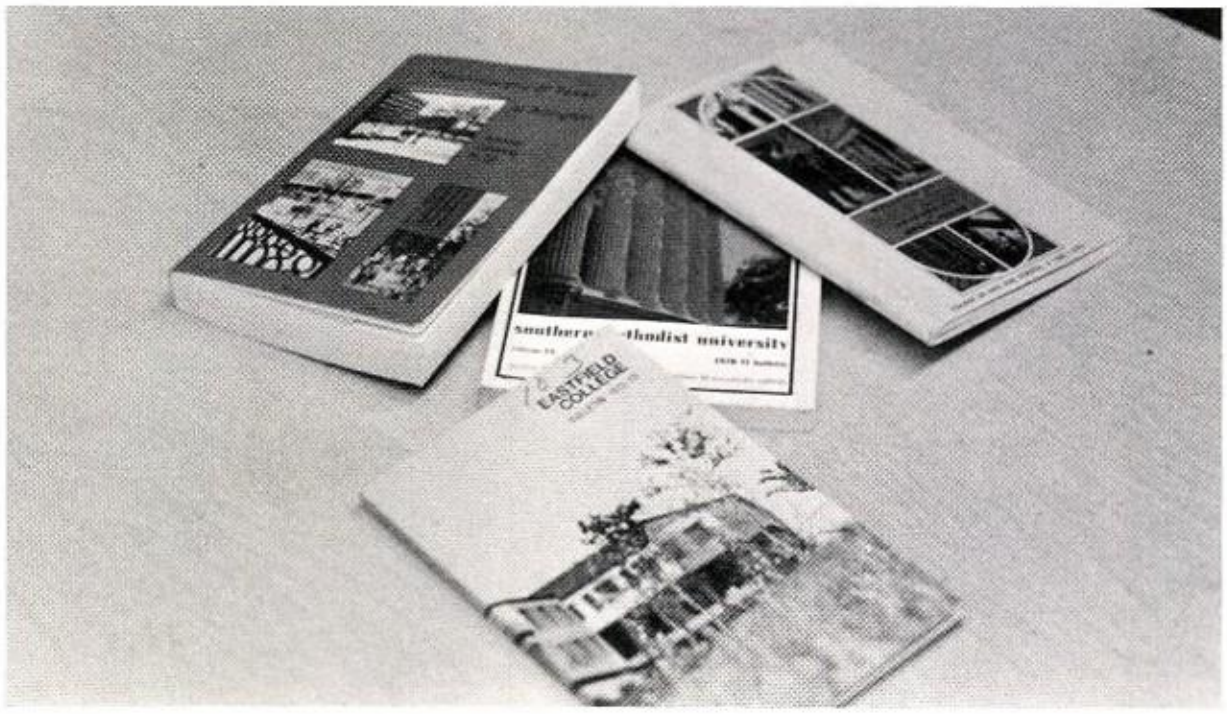
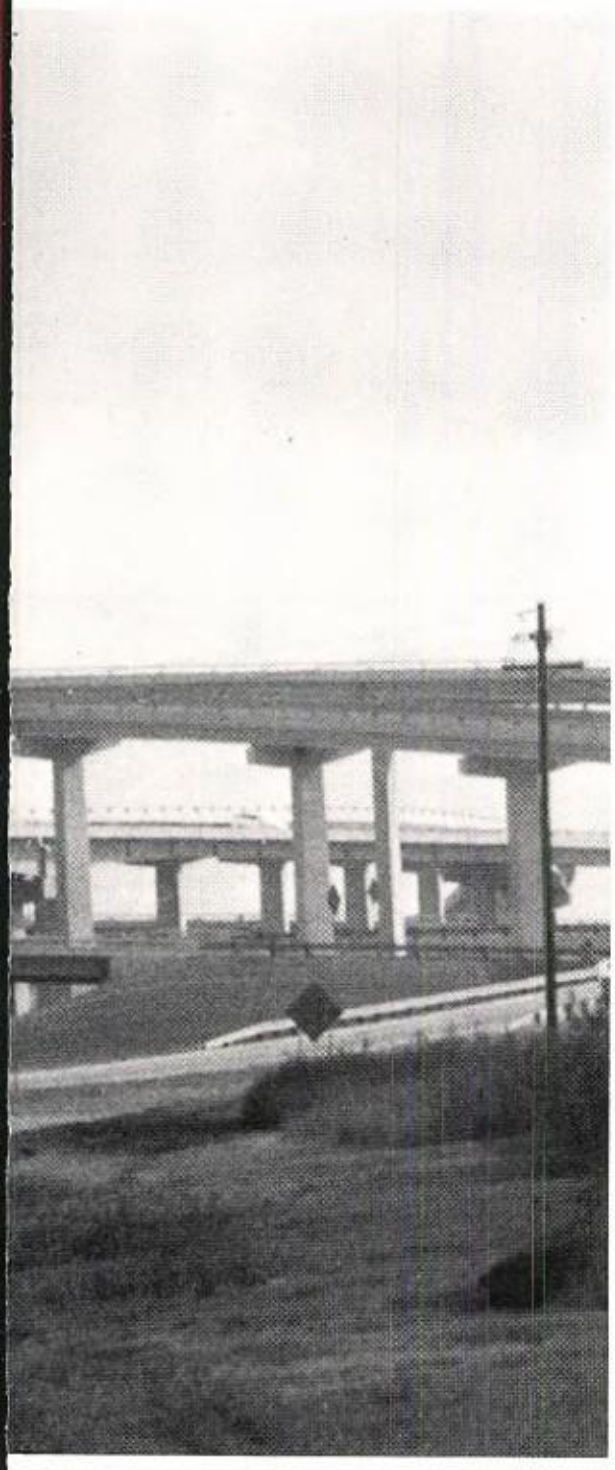
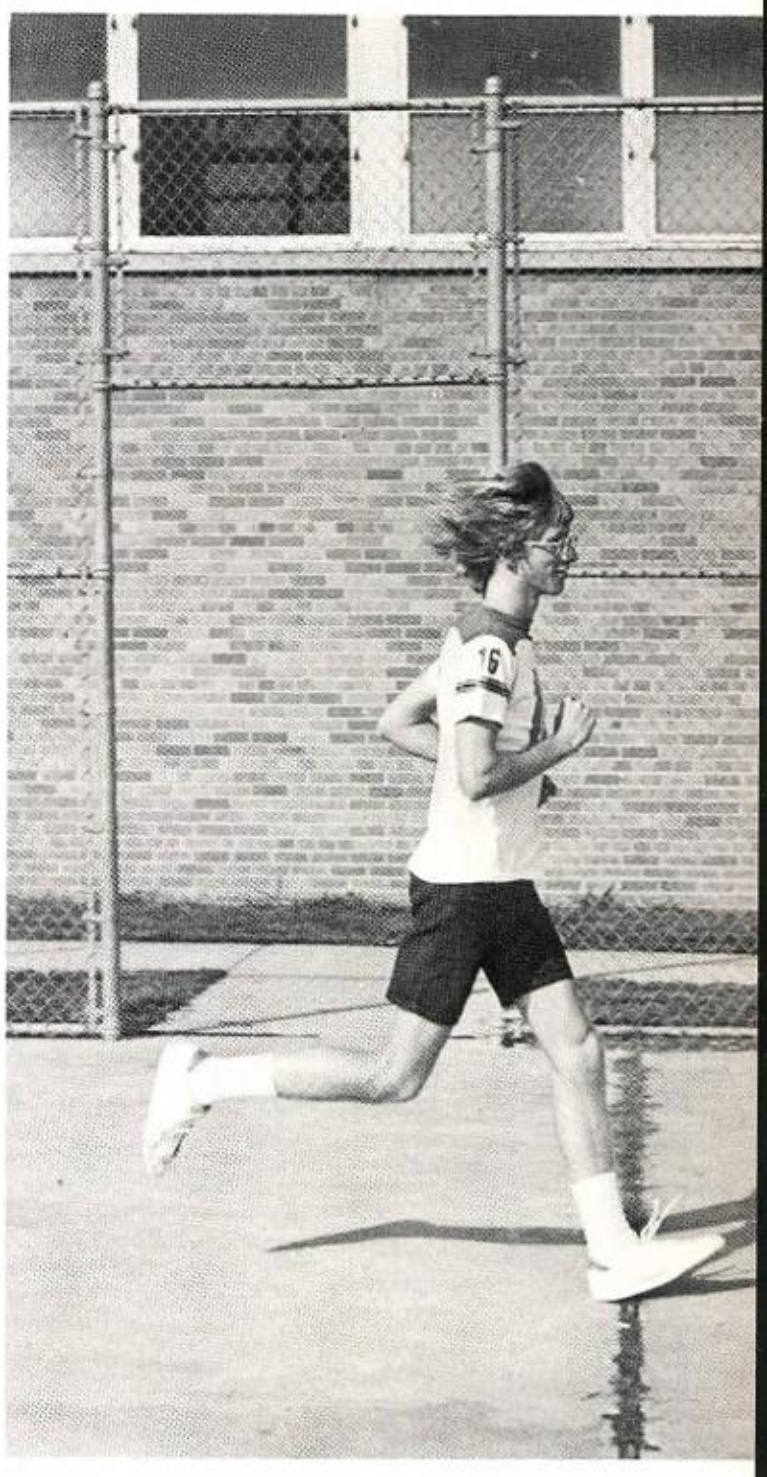
"So Many Roads to Choose,

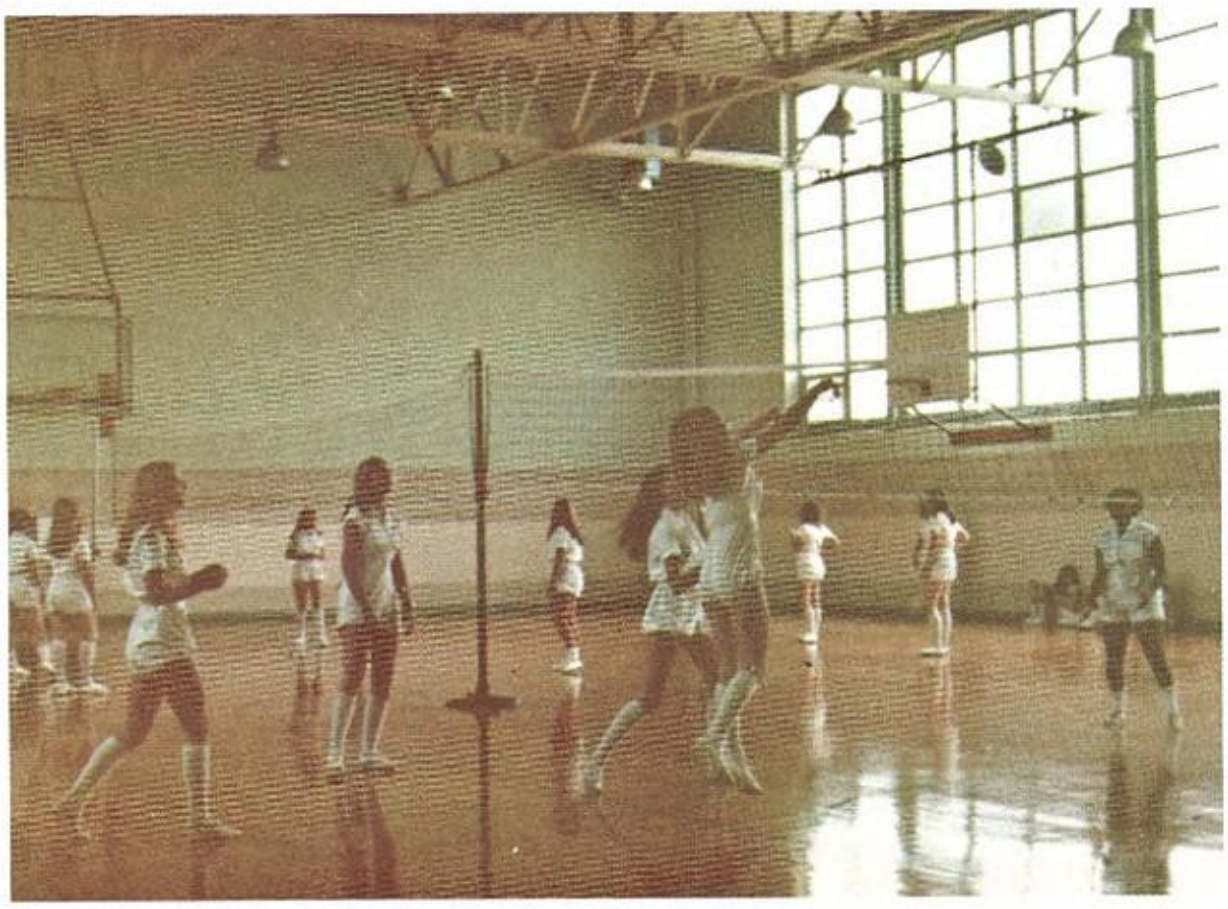


We Start Out Walking, and We Learn to Run."

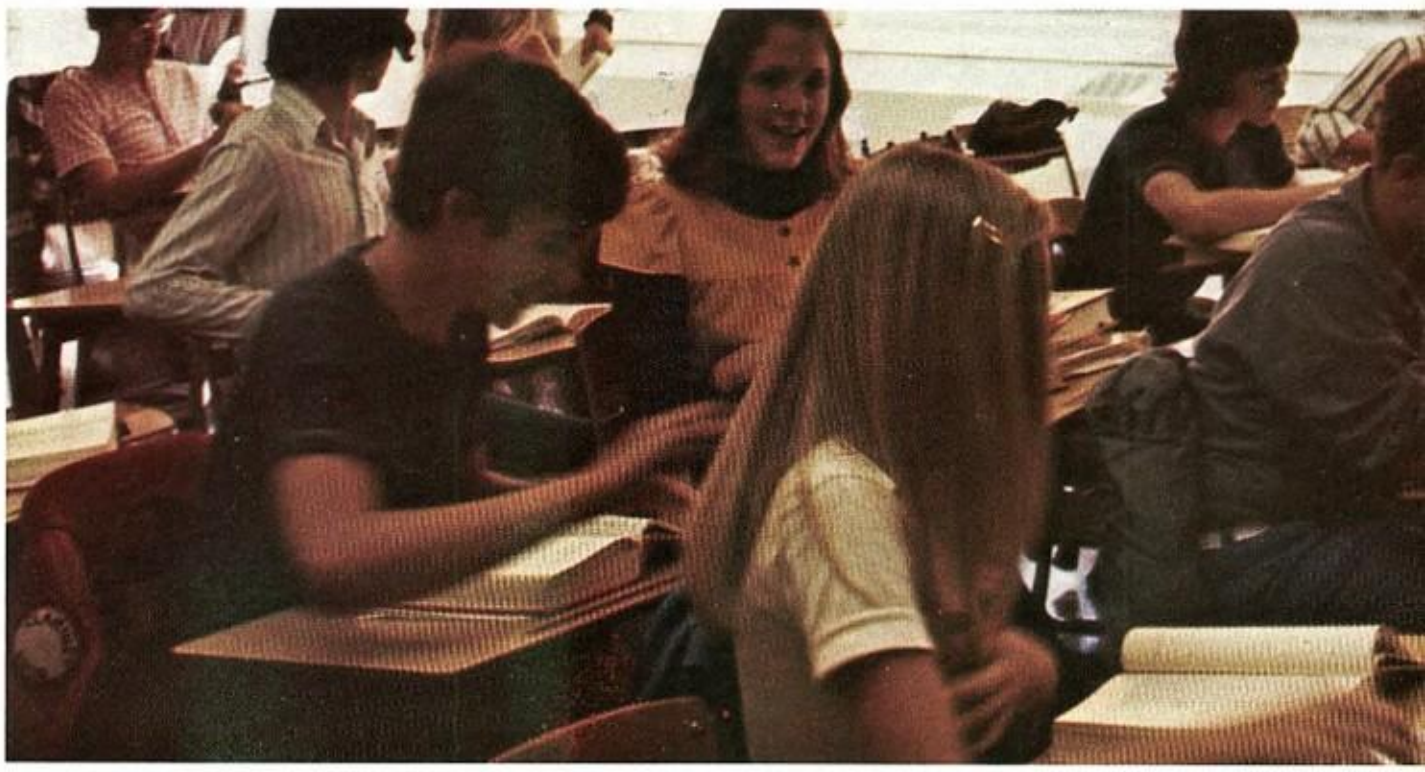


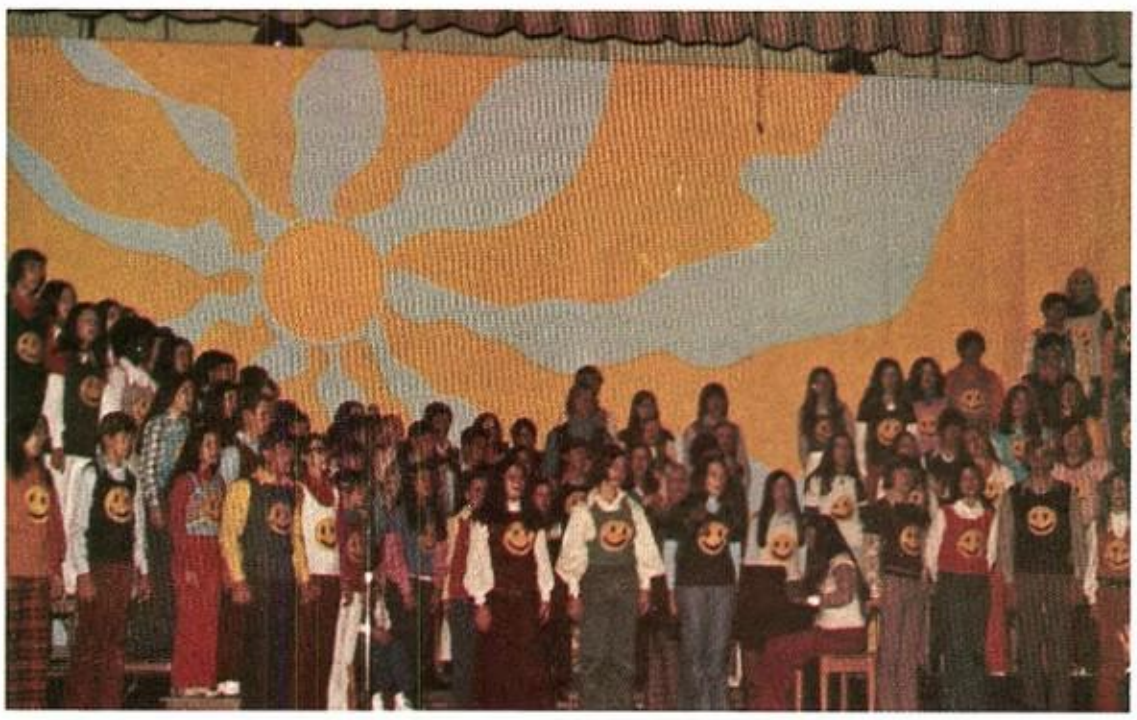


We've Only Just Begun:

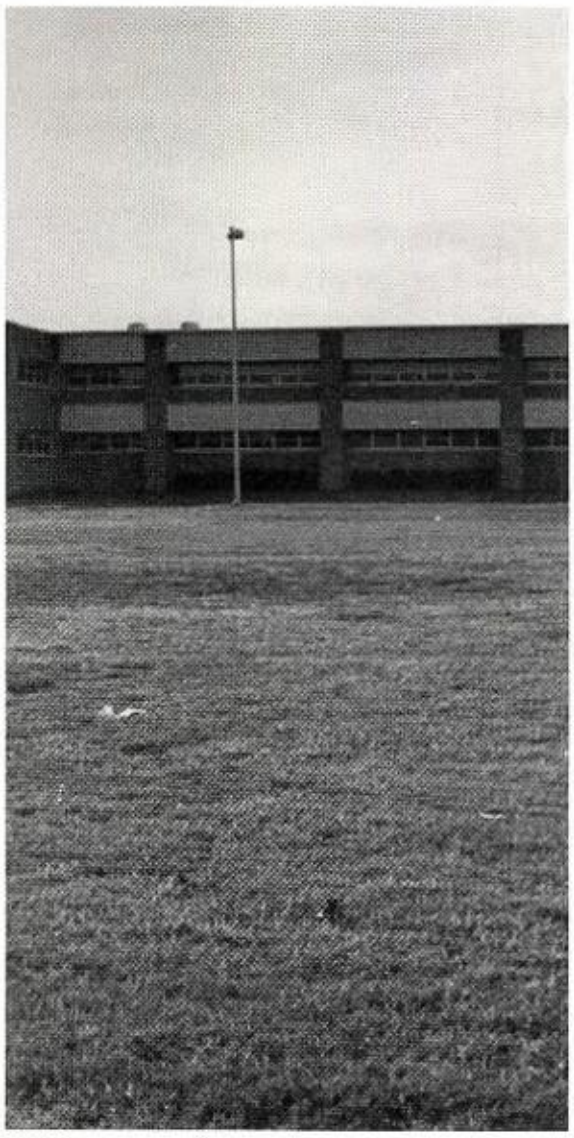


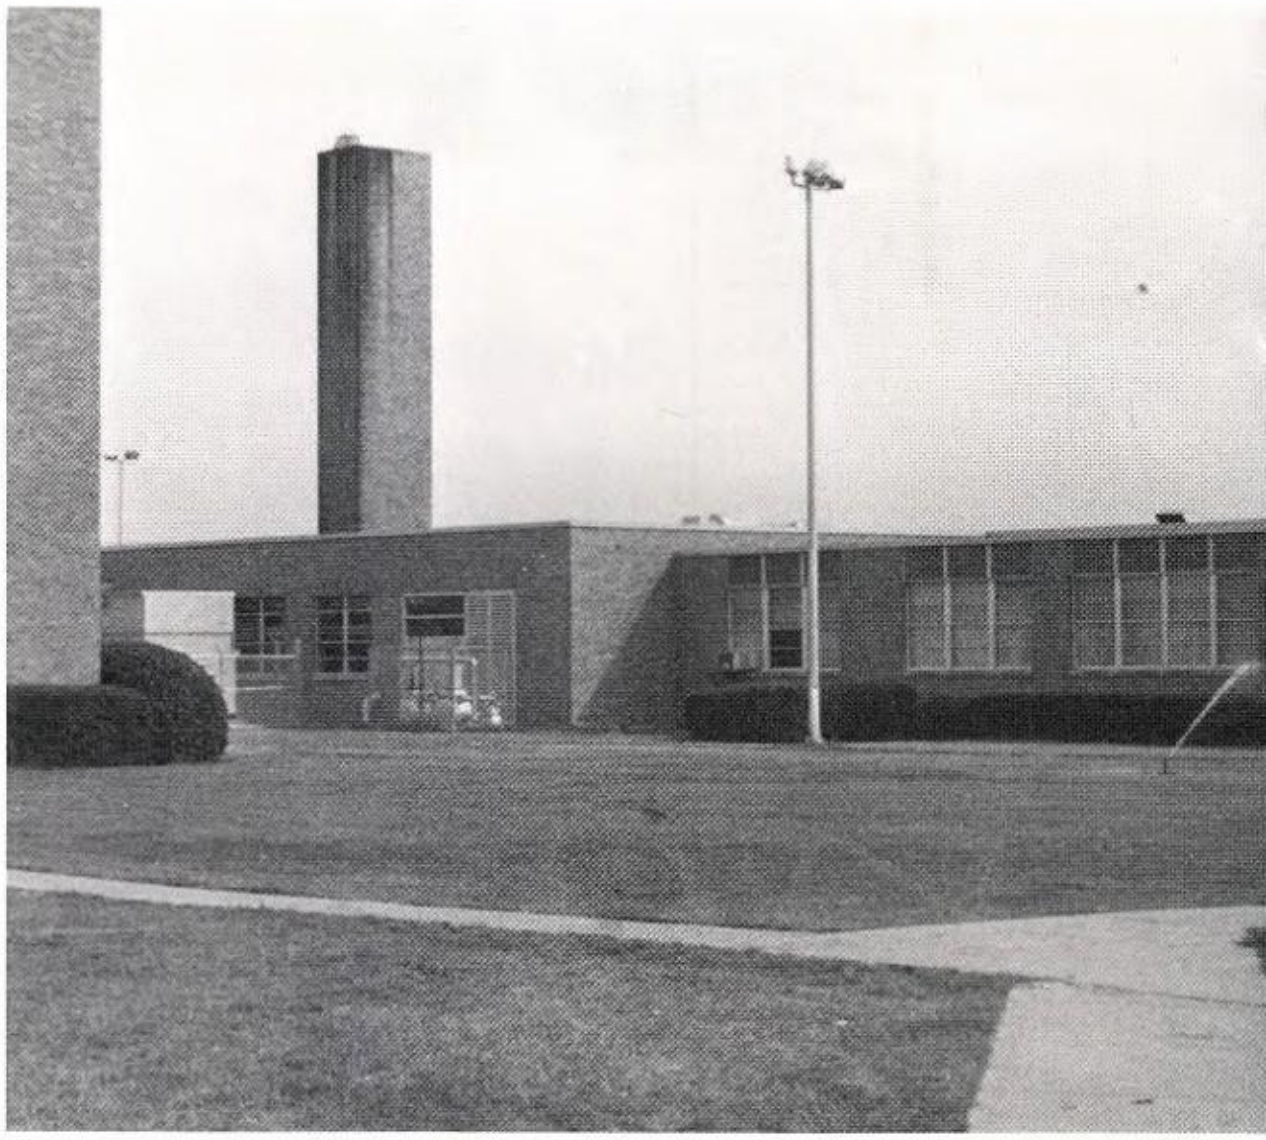
Smiling
Playing
Asking
Resting
Talking
Acting
Needing
Singing

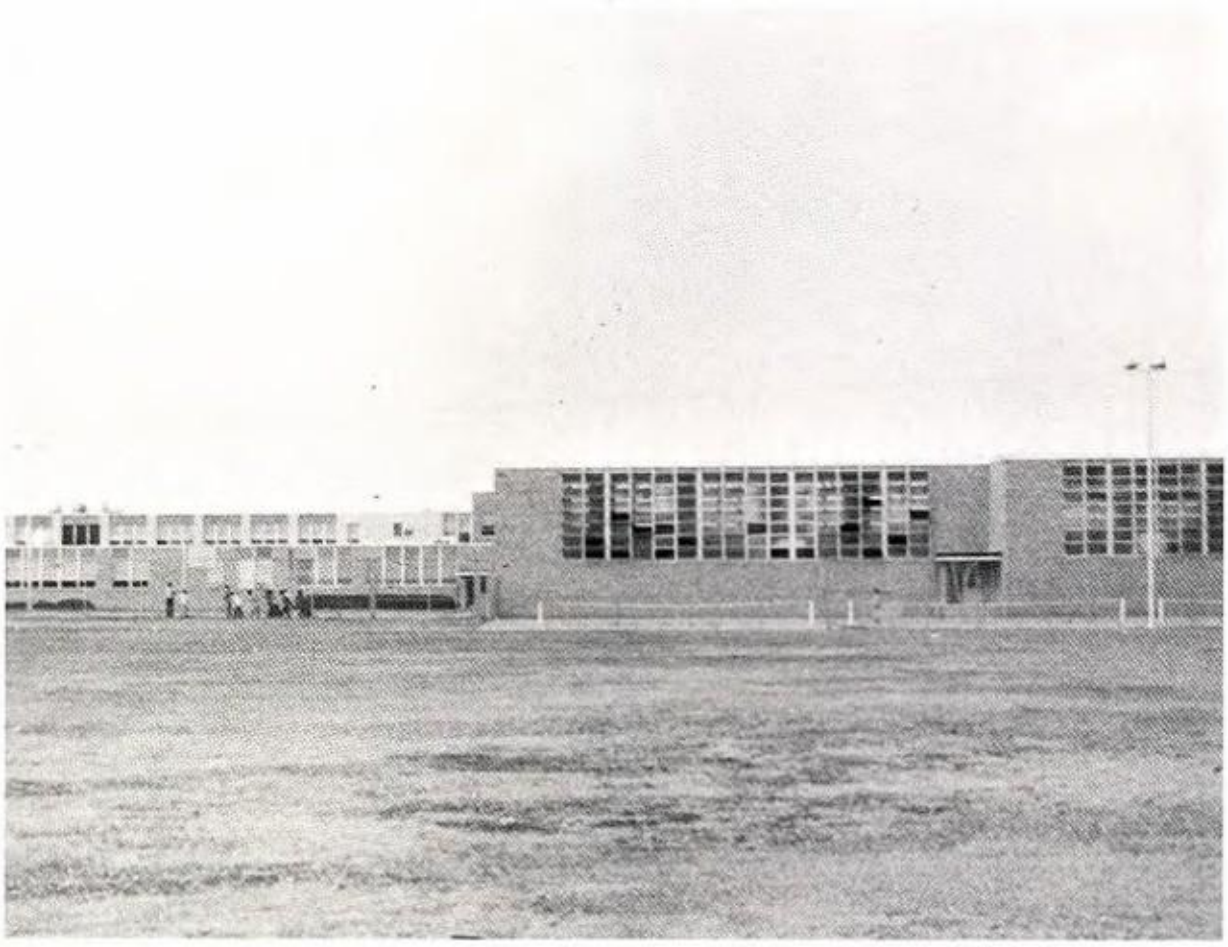




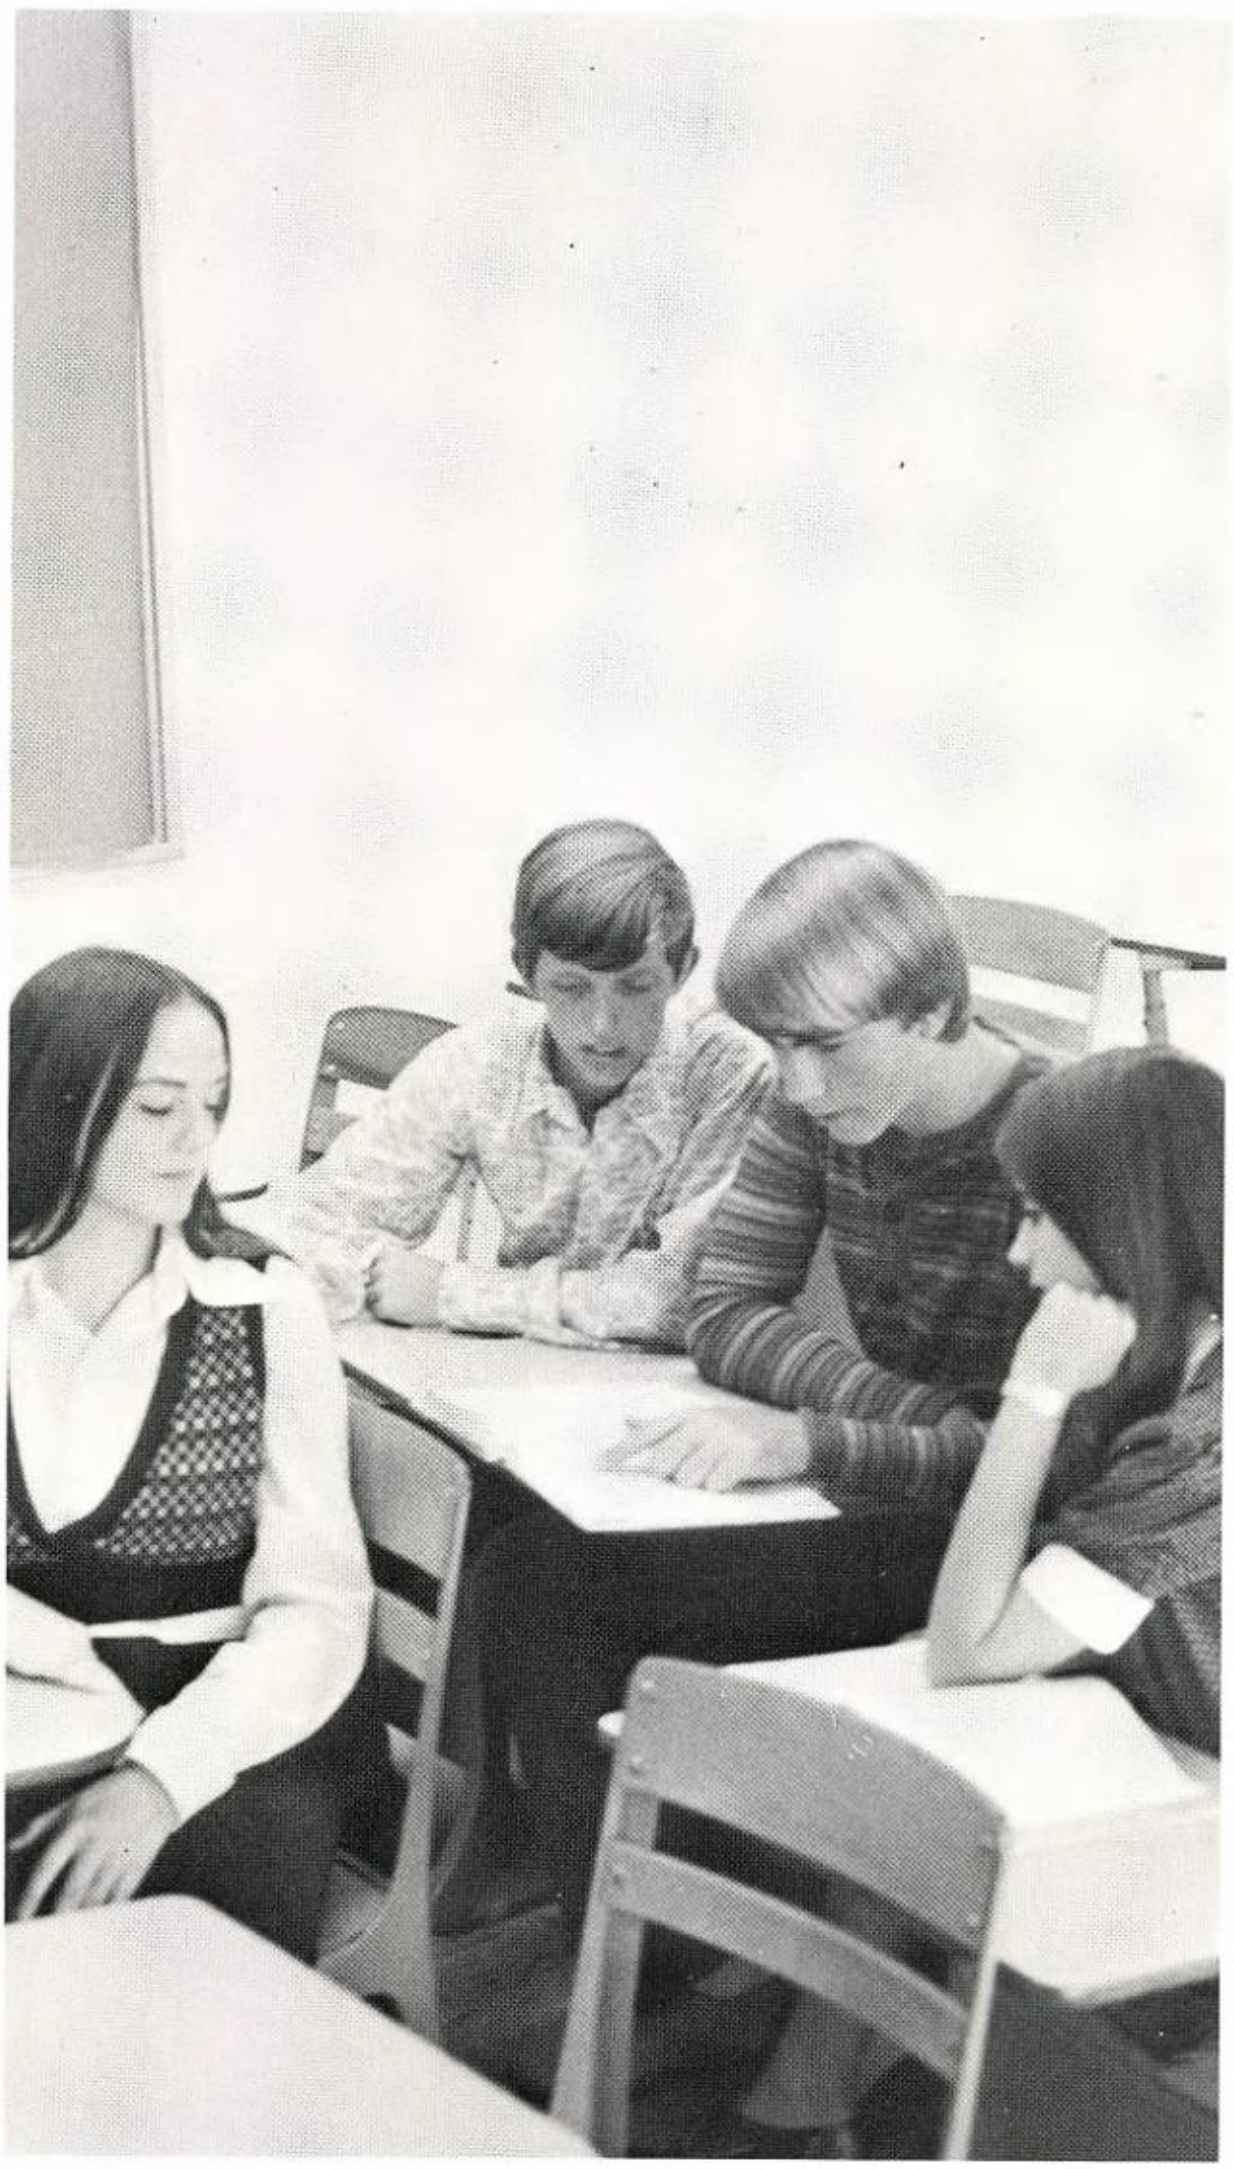
"Each Turn Will Bring a Different View to Us







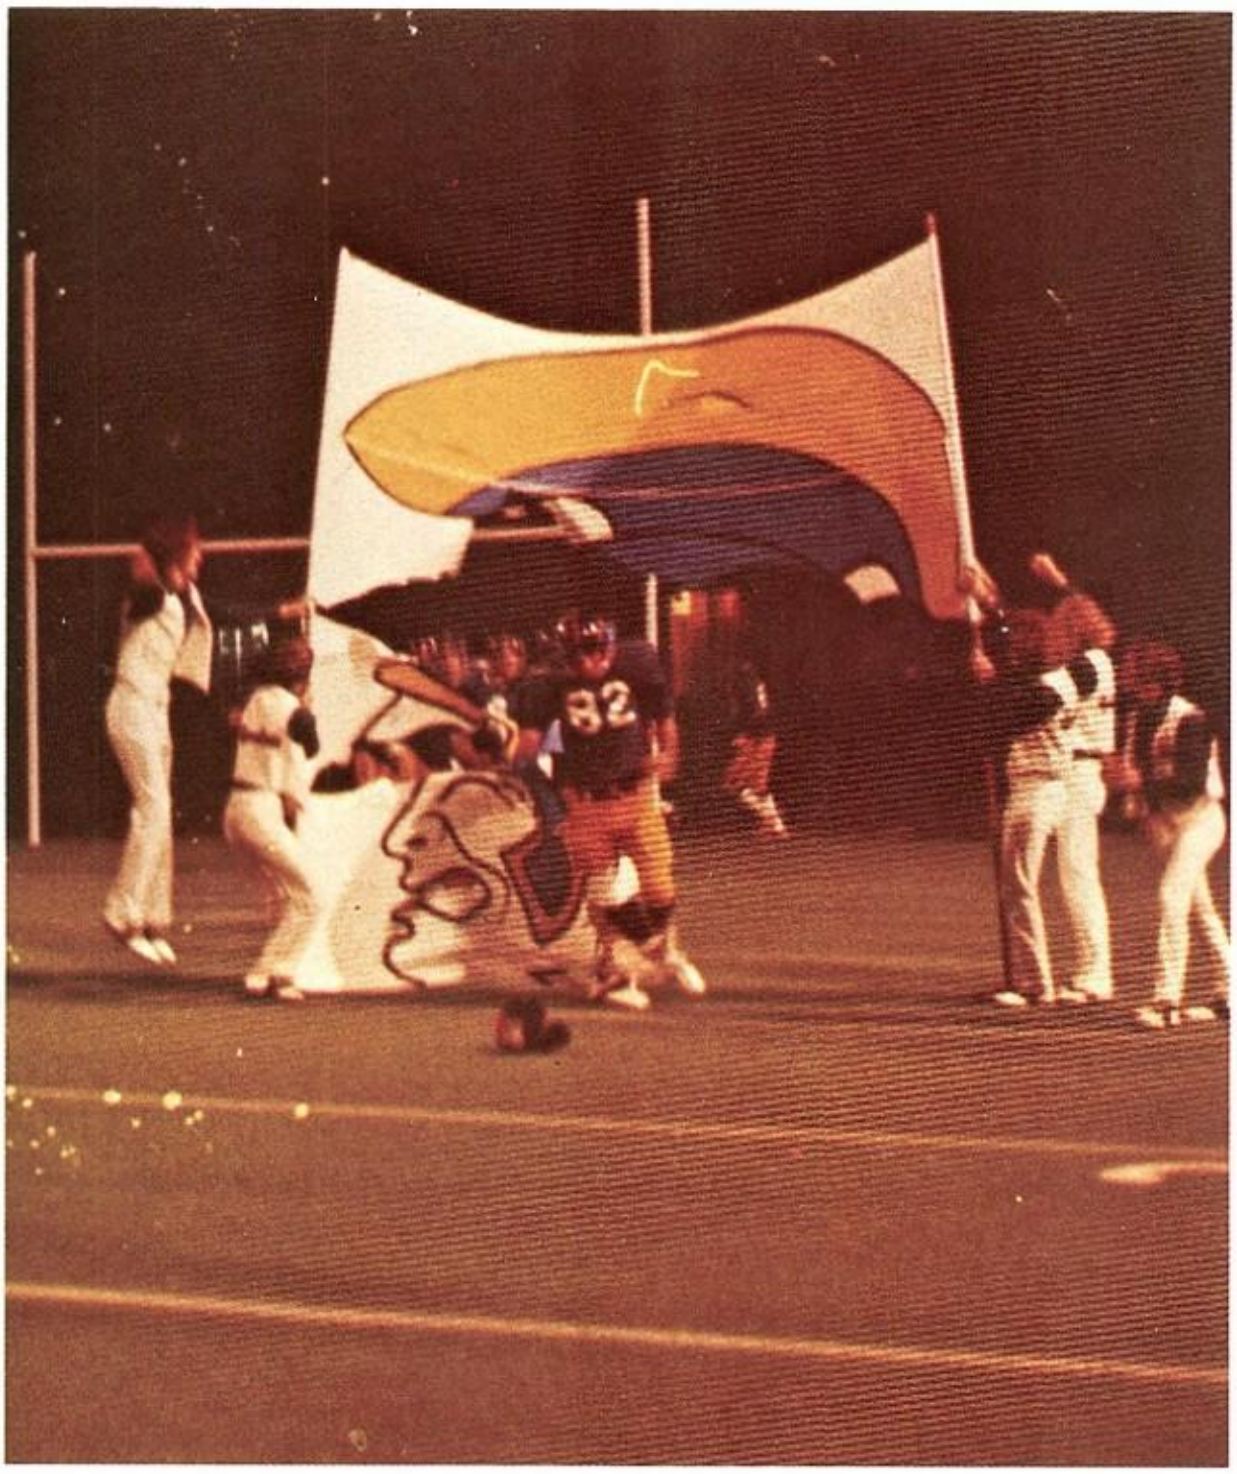
Working Together Day to Day."



School Song

Hail Samuell High; Hail Samuell High!
This song to thee we sing.
We pledge to thee our loyalty
As loud our praises ring.
For always to the Gold and Blue
Our hearts will still be true
As fighting Spartans we will cry
Our love for Samuel High.

"We've Only Just Begun."



Fight Song

Fight, Spartans, right down
the field
Until we score that victory
FIGHT! FIGHT!
Fight, Spartans, and never
yield
Our pledge of pride and
loyalty RAH! RAH!
To our colors of Gold and
Blue
We ever shall be true.
GO, SPARTANS, GO
Go crashing through that
line
And we will cheer you all
the time!

1973 Torch Dedicated to

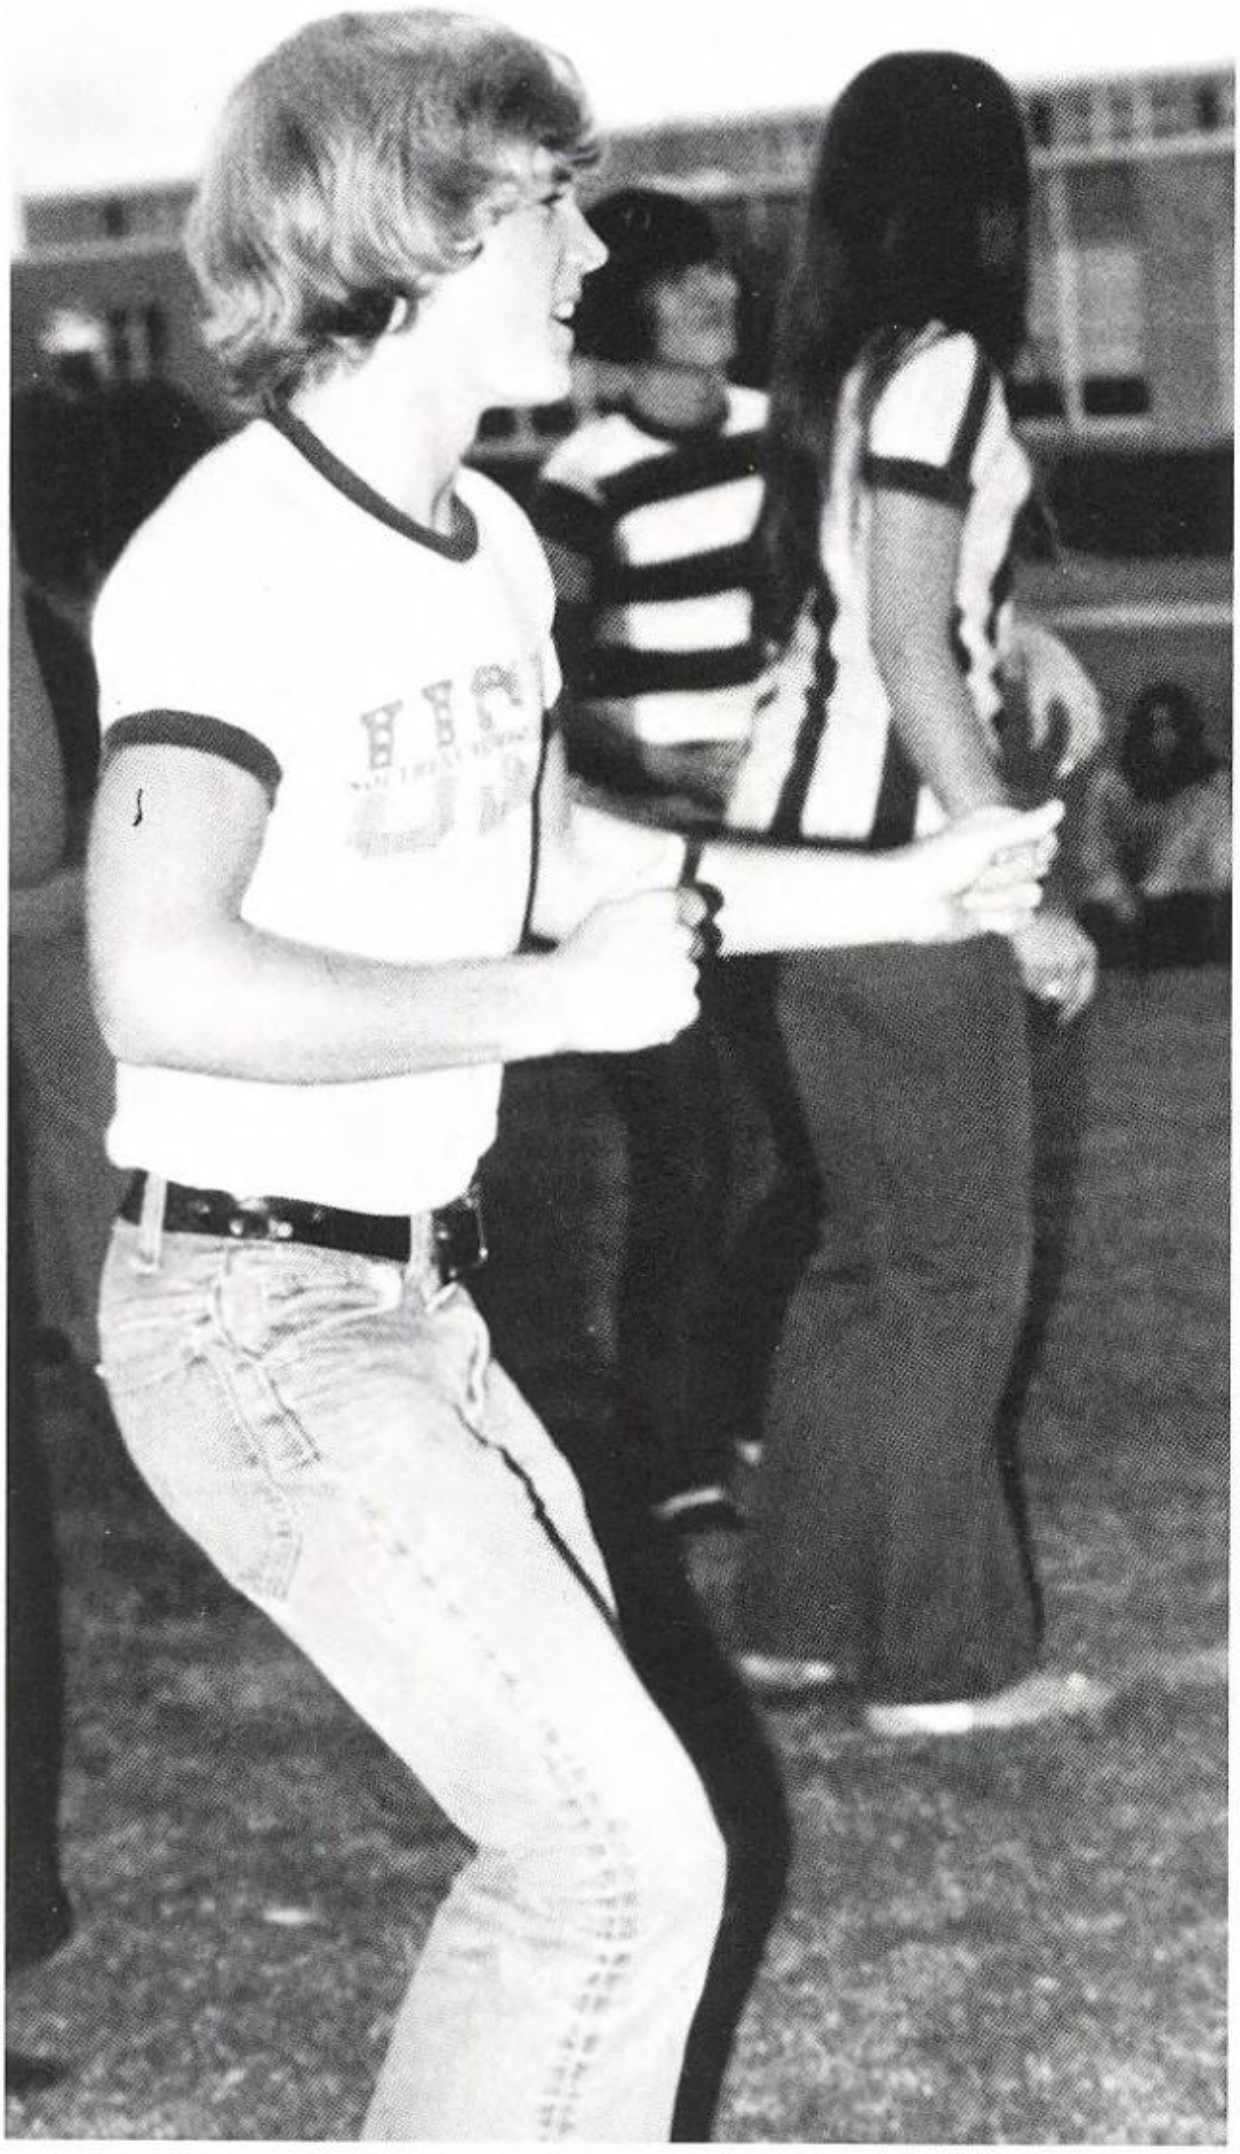
Sam (y'all)!!!



The Steering Committee planned a get-together party on September 7. There were free refreshments. Also, dancing and music. Everyone had a lot of fun. Between 400-500 students attended.

Student Council

This year Samuell held Student Council elections in the fall instead of last spring. There were disadvantages and advantages. The Student Council got a late start, but the Sophomores were able to vote.

Homecoming '72

Renee Rose crowned Homecoming Queen, Mr. Blackmon's spirited pep talk, the car decoration contest, and the BA game — all of this was the excitement and disappointment of Homecoming 1972.

Rhonda Reid, 1971 Homecoming Queen, came to crown Renee. Renee's court consists of Srs.: Rosemary Childs, Sherry Bryant; Jrs.: Beverly Kennedy, Shanda McWithy, Artura Richardson; and Sophs.: Kelly Caldwell, Kathy Dewberry.

Robert Richardson's car *(opposite pg., below right)* won the car decoration contest sponsored by the Student Senate. The reception for X students was held in the lunchroom. The only thing was the score:

The History of Rock

On December 15 Samuell students got a treat when Ron Precht of Rick Trow Productions of Philadelphia brought the "History of Rock:" the story of Rock and Roll from the beginning. Chuck Murphy of KLIF, made a special appearance. Chuck dedicated his radio show to Samuell from 7 to 8 on the 15th.

"Fire and Ice"

by Robert Frost

Some say the world will end in fire
Some say in ice
From what I've tasted of desire
I hold with those who favor fire.
But if it had to perish twice,
I think I know enough of hate
To say that for destruction ice
Is also great
And would suffice.

Count the good things you've got going.

Maybe it was easy, maybe it was tough. Either way, it's good to have the high school years behind you. Now you can do and be just about anything you choose.

You've got a lot of good things going, a lot of them on electricity. Music is only one example. Electricity brings your favorite artists right into your own home, lets you enjoy them anytime, day or night, on your radio, stereo, or TV set.

You've got a lot of other good things going on electricity besides music. We don't have to tell you. Just look around.

That's why Dallas Power & Light plans and builds ten years ahead. We intend to keep your good things going.

Life gets better electrically.

A SENIOR LOOKS BACK

As we, the Senior class of 1973, reflect upon the memories of our high school career, most of us will probably say, "Boy, I'm glad I'm out!" But do we really mean this, or is it merely a gut reaction — a reflex that we have accepted as being healthy and normal? How many of us can find it within our souls to close this important chapter in our lives with such a merciless thump? Don't we owe it to ourselves to look back on W. W. Samuell with the utmost sincerity?

And as we look back we will remember . . . yes, we will remember with fondness the sweet and misty aroma of automobile exhaust over Palisade Drive — the remaining traces of a morning duel between rival machines; the multi-faceted sparkle of sunlight striking scattered heaps of broken glass throughout the parking lot; the grinding strains of "Candy Man" knifing the early mists in seven different octaves from the band field.

We might even recall with muted joy the droning monotone of another second period announcement drifting hopelessly confused over the intercom; the pungent odor of 500 pairs of month-old gym socks in the locker room; the insistent pounding of a fist on steel that signifies another hapless soul has sacrificed fifteen cents to the cruel bowels of a candy machine.

Or we could consider with a contented sigh the united roars of a Spartan football crowd as our coach called a dive left on third and sixteen; the gleam in your favorite algebra teacher's eye when he realized that none of his students had defined a function correctly on their tests, thus ensuring failure; the invigorating tug on your hair just as you were falling asleep in study hall.

Many of us will shake our heads and chuckle to ourselves at remembrances of the fascinating kaleidoscopic patterns formed by the haphazard arrangements of enchiladas and green beans on our plate lunches, and of course the ensuing fizz of Alka-Seltzer; the good-natured jibes and squelches of an appreciative Spartan audience directed toward their guests from Navarro Junior College; the familiar columns of thick, white smoke oozing from the boys' restroom, that forever camouflaged sink and toilet alike.

It is likely that we will feel our hearts soften at memories of the aimless chatter of a computer gone bananas because we fed the tahe in upside-down; the beckoning call of the sandman as your English teacher vainly tried to sell you on the merits of paraphrasing *Beowulf;* the secure, reassuring grasp of the neighborhood policeman's hand on your shoulder as you are expelled from the Intrasquad Game for running out onto the field.

And yes, we might even shed a tear over our recollections of standing helpless in the restroom with wringing wet hands and nary a paper towel in sight; the emptiness of our billfolds after the devastation wrought by the fiends from Balfour and Geddie's; the always thrilling race against time as you hurriedly forget a makeshift excuse mere seconds before your teacher asked to sign it.

As if we should ever chance to stand in front of the halls of blue and gold in the future, do not be surprised if your vision blurrs and a lump forms in your throat . . . and you whisper softly, "Boy, I'm glad I'm out."

Editor's Note

Was your year good or bad? My senior year was super because I participated in a lot of activities. I finally felt like I was a true Spartan. To me, this book is great because my memories were great. This book will not make things better or worse than they really were, and it will only be as good as your memories make it. I hope this book will help every Spartan relive his high school years honestly.

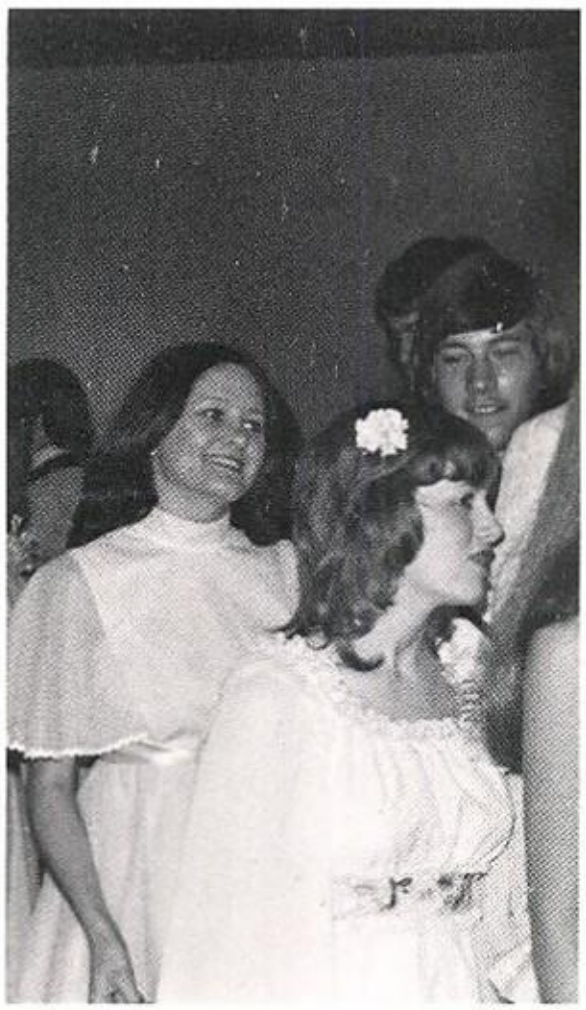
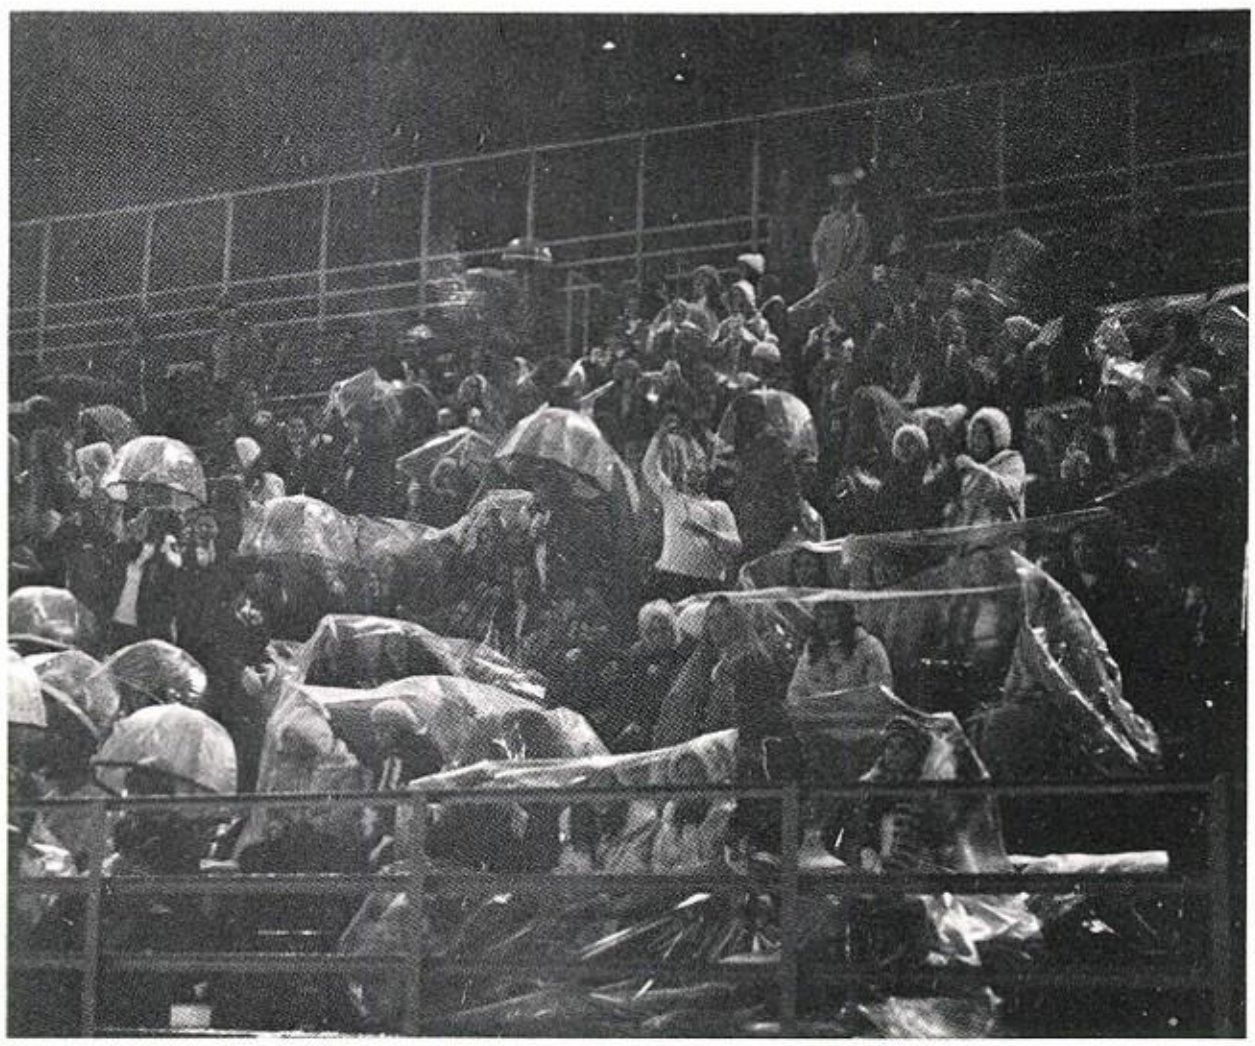
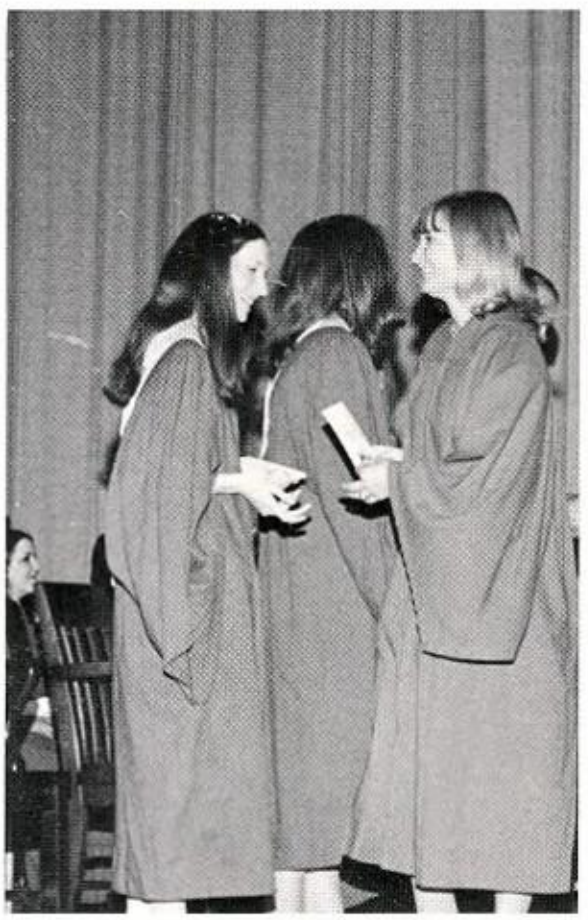
And when the evening comes —

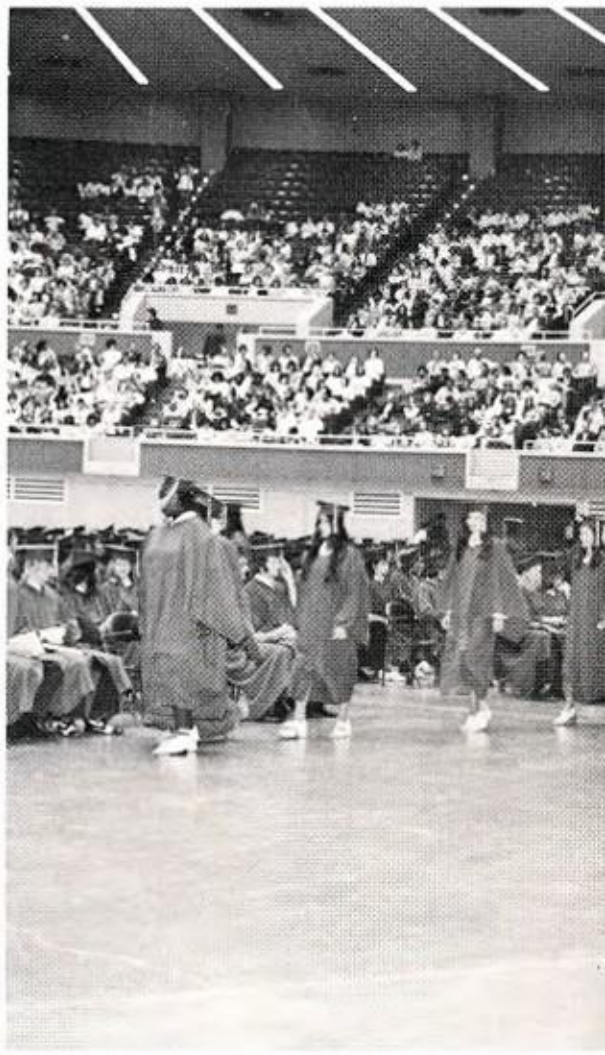




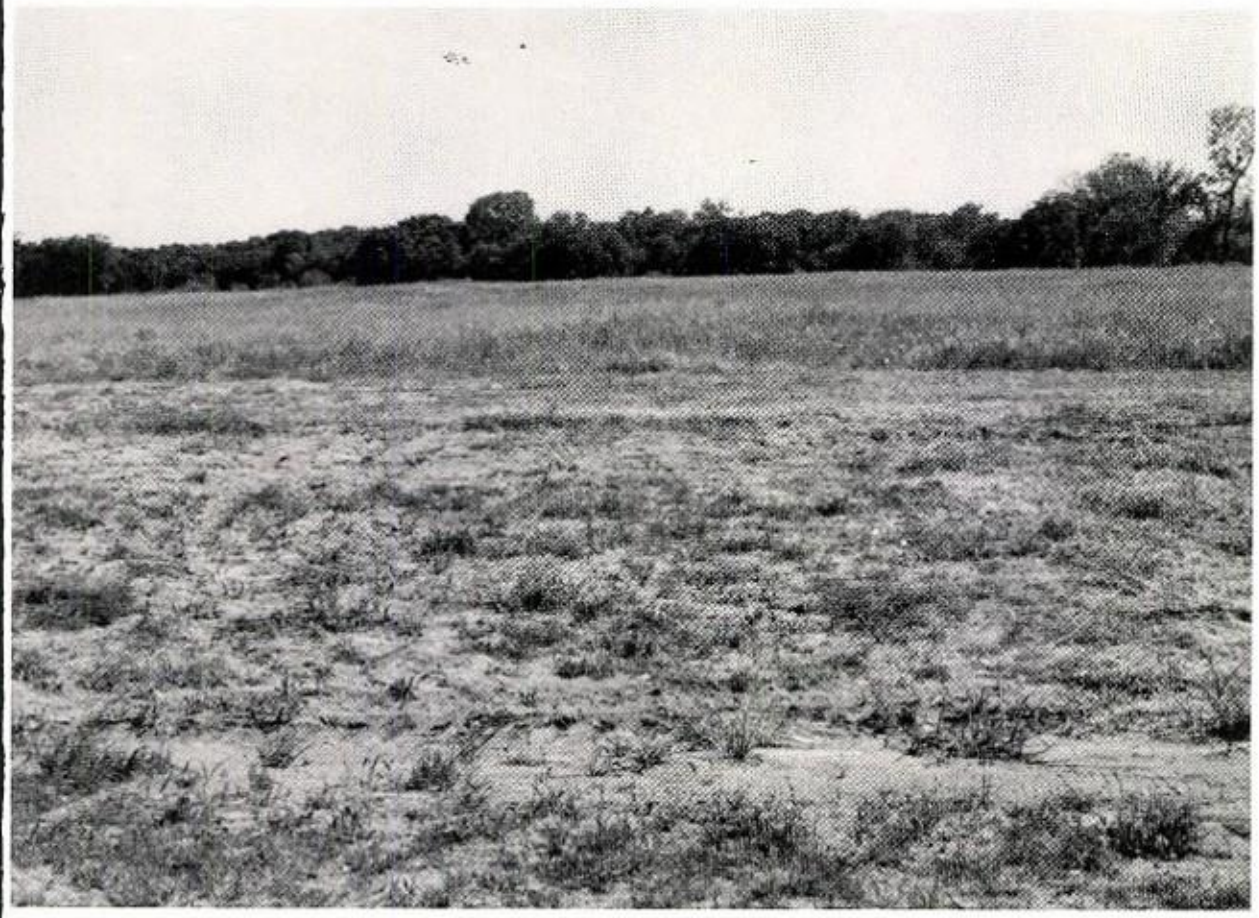
We smile

So much of life ahead

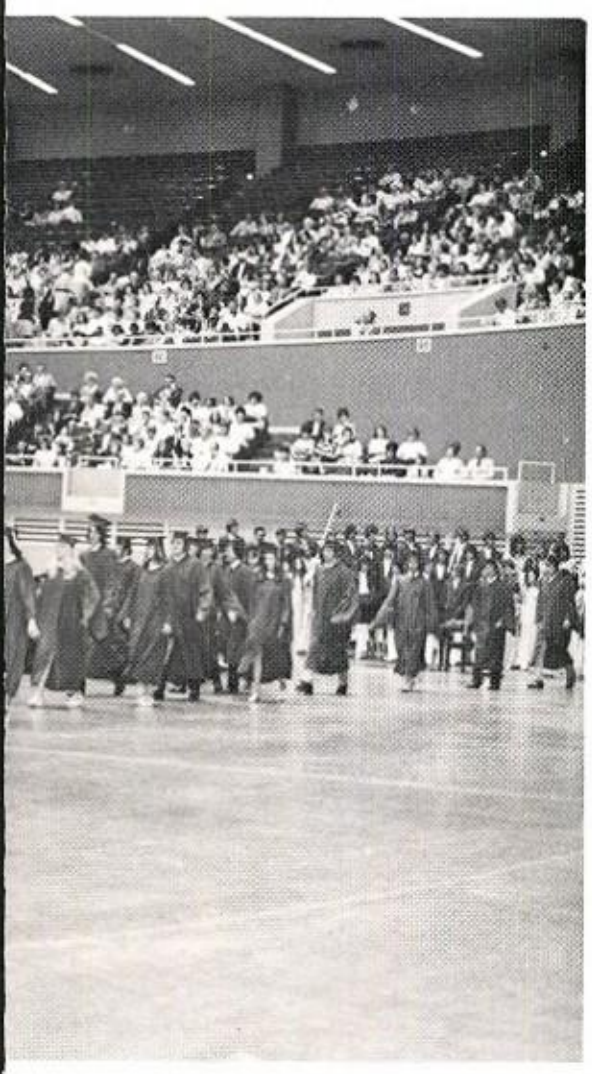




We'll find a place where



there's
room
to
grow.



We've Only Just Begun.
